GUIES D'OBSERVACIO. Nº 0

La cabra i l'ovella són dos animals que per sa forma i tamany, s'assemblen molt; però cabra de entre les del ramat. Atraca-t'hi procurant no asustar-les. Llavors fixa't i procura ha als potons, cua, cap, cames... Després posa-l'hi colors.

da un també té coses que els fan diferents. Per comprovar-ho, tria una ovella i una cab  
completar aquests dibuixos de manera que es vegin clarament les diferències que hi

Fixa't i/o consulta i contesta:

- 1 - Quan pasturen habitualment?
- 2 - Què mengen?
- 3 - Quins colors tenen?
- 4 - Com es protegeixen del fred i de la calor?
